To: 2022 UG <2022.ug@rajalakshmi.edu.in>, 2024 UG <2024.ug@rajalakshmi.edu.in>, 2024 MBA <2024.mba@rajalakshmi.edu.in>, 2024 PG <2024.pg@rajalakshmi.edu.in>

Dear Parent,

Greetings from Rajalakshmi Engineering College! I hope you and your family are doing well. As we step into another academic year, I would like to take this opportunity to share some key updates about our institution and the progress we have made over the past year. Despite a rapidly evolving educational and industry landscape, REC has continued to uphold its commitment to excellence in academics, research, and student placements.

Outstanding Placement Achievements

We are proud to share that the placement season for the 2024-2025 batch has been exceptionally successful. Over 1,728 job offers have been secured so far, with three more months remaining in the placement cycle. Several leading companies, including TCS, Cognizant, Zoho Corporation, BNY Mellon India, Amazon, JP Morgan Chase & Co., Thoughtworks, Infosys, JSW Group, GE Vernova, Renault Nissan Technology, Hitachi Energy, and many more, have recruited our students. We have recorded 330+ dream and super-dream offers, reinforcing our reputation as a premier institution for career-oriented education.

Research and Innovation at REC

Our faculty members and students have been actively engaged in cutting-edge research projects, securing funding from prestigious organizations such as DST, DRDO, BRNS, ICMR, SERB, AICTE, and UGC. The college has received over Rs. 27 crores in research grants and completed more than 100 projects in emerging technology areas. To foster interdisciplinary research, we have established 15 Centers of Excellence focusing on high-impact domains. Furthermore, REC has strengthened its collaboration with IITs, national research labs, and global universities, ensuring that our students and faculty are at the forefront of innovation and industry advancements.

Technology-Driven Education

As we embrace the future, REC continues to integrate Artificial Intelligence (AI) and emerging technologies into various academic and administrative processes. Our commitment to digital transformation ensures that students gain hands-on experience with advanced tools, equipping them with the skills required for modern industries.

Fee Payment Details

As we prepare for the next academic year, we kindly remind you that the college fee for the academic year 2025-2026 is due by April 30, 2025. Despite inflationary pressures, we have maintained the fee structure unchanged to support our students and their families.
